4. **Board of Trustee Report presented by Celeste on behalf of Kyle Dorchester**

*We have been working hard at doing board business over the last month. We attended Public School Board Association and an Alberta School Board Association conference in Edmonton. The public school board association is a body that represents Public Schools in Alberta. Public Schools accept all children unlike Francophone or Catholic Schools which can turn away children. Our school division is also a member of Alberta school boards association which includes public/ francophone/ and Catholic. These conferences are valuable for networking with our colleagues where we can share stories best practices among other things. We had some great PD on the topic of high functioning boards, and effective leadership, as well we had a keynote speaker her honor the honorable Salma Lakhani, Alberta's Governor General. IF you ever get a chance to hear her speak I highly recommend it, she is a remarkable woman who has led a very eventful and interesting life.*

*I had the opportunity to refer an item to committee that item being a potential late bus for WRPS and PLRS. We will be considering this item to assist with parent transportation for those kids who are in after school arts, academics. Or athletics. We are exploring the possibility of adding extra flag poles to our schools to fly the treaty 6 flag, I believe this may be voted on in December's board meeting. I was approached by a friend who heads the charity DREAMS take flight where approximately 15 underprivileged or special needs children will be taken to Disney land for the day free of charge, I believe this will also be voted on in Decembers board meeting.*

*I thought our first Council of School Council went well. Watch for some upcoming dates for budget consultation. This year we will be looking at consulting with the community before we approve any school division budget. We may have a few regional meetings which you are most certainly welcome to attend. These dates TBA.*

5. **Principals Report presented by Frank Heinrichs:**
  - a. **Flex Room 120 Reno** – New wainscoting, paint, cupboard installation, and new carpet.
