June 2023

Awards Day

Falun School will be celebrating student success with our annual Awards Day ceremony on June 27th in the Falun School gym. Kindergarten students will be recognized and selected students in grades 1 to 6 will receive awards for Academic Distinction, All-Around Sportsperson, Most Improved, Endeavour/Effort, and Citizenship.

A BBQ will follow. Please ensure that you complete the [RSVP form](#) by June 16th so we know how much food to prepare! We look forward to celebrating student achievements with you on this day.

Staff reflected on student recognition and our June awards day earlier this year. We felt that the awards ceremony on June 27th was a great time to focus on year-end awards such as the overall academic, citizenship, and athletic awards. We also felt that individual recognition of students at monthly assemblies provided opportunities for individual students to be recognized for their accomplishments or contributions as the year progressed. With this in mind on June 27th we will not have individual student awards in the homeroom classes as we have in past years.

Final Reports

Final reports for students will be available on PowerSchool on June 27th, our last day of school. School supply lists will be sent home on the last day as well as posted on the Falun School Website. Please take the time with your child to go through the report card together and celebrate the year's successes!

Playground Update

Playground construction will be taking place June 10th -16th.

We are still in need of volunteers, donations of food and water. Please contact Julie if you are able to assist in any capacity.

June 5th - Parent Council Meeting @ 6.30 pm

June 8th - Grades 1-3 field trip

June 15th - Grade 4 field trip

June 27th - Awards Day, Family BBQ, and last day of School

August 30th - First day of school for grades 1-6

FSLW Update

Counting the days to summer break? The school year ending can bring about many feelings, not just excitement for the summer. Kids can feel sadness and anxiety as the transitions to the next grade may mean saying goodbye to their teacher, EA, classmates, or the school. There is also the adjustment to new routines, less structure and time apart from their friends, all which may increase stress in kids.

If your child has a hard time with transitions, try:

- Scheduling play dates with school friends or ways to meet new friends
- Maintaining some structure, even if it's looser than during the school year
- Enjoying quality time together as a family

Take time to look back on and celebrate the school year as it comes to an end. Attached is Big Life Journal's **"2023 End of School Year Interview"** to help your child reflect on their academic, social, and emotional growth in a fun and engaging way.

It includes questions and prompts for capturing the best memories of the school year. Take a look! Have a fantastic summer and we will see you in September.

PLRS Grade 7 Orientation

Grade 7 Orientation on August 29th from 1:00-3:00 pm at PLRS. All grade 7s are welcome to attend. Parents are not required to stay. PLRS staff will be handing out the grade 7 schedules, showing the grade 7s how to read the schedule, finding where their classes are, practicing locks and answering any questions the students have. This is also an excellent opportunity for the grade 7s to bring school supplies to their locker, etc.

Kindergarten Registration

If you have a child who will be 5 years old by December 31, 2023, they are ready for Kindergarten! Our Kindergarten registration is now open. Online forms are available at wrps11.ca.
