- 6.) Old Business:
 - a. COSC Meeting- Jen said the meeting was good. Was approximately 4 hours and was very in depth. There were also some discussions about how at the high school level they'd like to see students involved in the councils and in fundraising. Jen suggested the parent council have a sign or some sort of station prepared for the BBQ to help get more awareness and parent participation. Brittny said we should better communicate what the council votes on so parents understand how involved the council is in deciding the direction of the school.
- 7.) New Business
 - a. Next Meeting: September 16, 2025 @ 6:00pm
 - b. Brittny suggested trying to get the school newsletter out slightly before the start of the new month if possible. It will help parents plan better. Jen said she will look into this but it will be difficult to be much earlier than the 30th of the month prior due to waiting on information etc.
 - c. Discussion was had about class configurations. We are currently looking at a split Grade 1/2 and split 3/4 class based on the numbers right now. Jen is going to be looking at the enrollment and informing parents by the end of the current school year which class their children will be in and who their teacher is. Parents were encouraged to bring any concerns about school enrollments, and class configurations either directly to Superintendent Wake or to Jen and she can pass on the concerns.
- 8.) Meeting Adjourned at: 6:28pm
